THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the School District in the town of Swanzey qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the fourteenth day of March, 1950, at one o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
6. To choose Agents, Auditors, Committees in relation to any subject embraced in this warrant.
7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
8. To see if the district will raise and appropriate a sum not to exceed thirty-five thousand dollars (\$35,000) for the purpose of constructing a two-room addition to the Cutler School,

make the necessary alterations to the existing school building and provide the equipment and furnishings for the same; and in order to provide such funds to authorize the school board to issue and sell notes or bonds in the name of and on the credit of the district under and in accordance with the provisions of the Municipal Bond statute and any amendments relating thereto; and to delegate to the school board authority to fix the time and place of payment of the principal and interest of said notes and bonds, the interest thereon, and the principal amount of each note or bond, and to sell the notes or bonds, and to take such other action with respect thereto as may be necessary and advisable.

9. If the preceding article is adopted, to see if the district will raise and appropriate the sum of three thousand seven hundred fifty dollars (\$3,750) for the purpose of paying the principal and interest on the loan for the Cutler School addition for the current year or take any action thereon.

10. To see if the district will continue the present building committee to supervise the construction of the addition to the Cutler School and the necessary alterations to the existing structure and to authorize the school board, acting on the advice of the building committee, to execute any and all contracts or agreements necessary, proper and advisable in connection with this construction and for the purchase of equipment and furnishings for the same or to take any action thereon.

11. To see if the district will raise and appropriate funds not exceeding the limit authorized by state law to establish a capital reserve fund to be held in custody by the trustees of trust funds of the Town of Swanzey for the financing of all or part of the cost of construction of a new school building to serve those pupils now served by the Hopkins, Wilcox and East Swanzey schools, and the acquisition of land, equipment, furnishings and facilities therefor, in accordance with Chapter 160 of the Laws of 1943 and any amendments relating thereto; and name the school board its lawful agent with respect to said capital reserve fund.

12. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the Federal Works Agency, or other U. S. Government or State Agencies.

Given under out hands at said Swanzey, this ninth day of February, 1950.

H. H. STONE,
T. H. MOE,
EDWARD J. HANNA, JR.,
School Board.

A true copy of warrant—Attest:

H. H. STONE,
T. H. MOE,
EDWARD J. HANNA, JR.,
School Board.

CATHERINE C. NAPSEY, R. N.

REPORT OF CUTLER SCHOOL LUNCH PROGRAM

In January, 1946 the lunch program was begun at Cutler school. This is our fourth year of progress in serving balanced type "A" lunches for the children. It is the feeling of the teachers, as we have observed the program develop that hot lunches have improved health, social and scholastic standards of those participating.

The first year, all labor was donated. At present, we are able to have a full time cook. Cooperation of all concerned has made this program possible with no additional cost to tax payers, even though we have been confronted with increased cost of food and labor.

The apparent deficit in the financial report is due to (1) paying \$121.51 as part payment toward the stove, money on

deposit for that purpose; and (2) the U.S.D.A. allotment for the State of New Hampshire became exhausted resulting in our failure to receive \$89.46 due us for the month of June, 1949.

The State Lunch Supervisor on her various inspection visits to our lunchroom has commended the Cutler school program. She being especially interested to find that this has been a real "community and school" activity.

We wish to thank the people of our community for their help and continued support. You are invited to visit our school at any time and see our program in operation.

The following is the financial report of the Cutler school lunch program for the year July 1, 1948 to June 30, 1949.

Cash on hand June 30, 1948	\$561 43
Cash received from lunches	\$2,073 85

	2,993 72
	<hr/>
Total	\$3,555 15

DISBURSEMENTS

Paid for food and milk	\$2,134 35
Paid for labor	835 00
Paid for equipment, etc.	180 37
	<hr/>
Total	3,150 22
	<hr/>
Cash on hand June 30, 1949	\$404 93
Due from U.S.D.A.	\$89 46

MARIE A. CAPRON,
Principal, Cutler School.

February 3, 1950.

REPORT OF WILCOX SCHOOL LUNCH PROGRAM

The School Lunch Program, sponsored by the Wilcox P.T.A., was begun at the Wilcox school December 1, 1948. A Type B lunch was served from this date till April 1, 1949. This is a part of the Federal Lunch Program.

Nearly all the children availed themselves of the opportunity of receiving hot lunches at fifteen cents a meal. There were no cold lunches brought to the school.

Because of the community interest and the cooperation of the members of the P.T.A. we have been able to continue the hot lunches.

Many generous donations of food and money have been received. Parents have donated labor whenever need has arisen.

This year we are serving Type A lunches at twenty cents a meal. At present all the children, except one who goes home to dinner, eat the hot lunch. We are serving several free lunches.

We have been fortunate in securing the services of a competent full time cook who prepares the meals in our new dining room in the basement of the school. This dining room was made possible through the efforts of the P.T.A. and the school board.

The P.T.A. has contributed the electric stove, large electric refrigerator, dish cupboard, dishes, electric coffee urn, curtains and ceiling for the dining room. All labor in the dining room except that on the serving counter, was contributed by the P.T.A.

We appreciate the generosity of the school board in giving us a two compartment sink, electric hot water heater, five cafeteria tables with fifty folding chairs and for extending heat into the dining room.

Our program was commended by the State Lunch Supervisor. The benefits to the children derived from a hot dinner at noontime is manifested in their scholastic standards and general well-being. There is no doubt that these meals give

an important contribution to good nutrition so necessary during a child's growing and developing years.

We wish to thank the members of the P.T.A., school board and community for their help in making our hot lunch program a success.

The following is the financial report of the Wilcox School Lunch Program for the year July 1, 1948 to June 30, 1949.

Cash received from lunches	\$403 21	
Federal reimbursement from U.S.D.A.	159 18	
Other receipts	28 35	
	<hr/>	
Total		\$590 74

DISBURSEMENTS

Paid for food and milk	\$379 17	
Paid for labor	188 00	
Other expenditures	21 96	
	<hr/>	
Total		589 13
		<hr/>
Cash on hand June 30, 1949		\$1 61

WINIFRED B. SARGENT,
Principal, Wilcox School.

February 1, 1950.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Swanzey:

I have the honor to submit my third annual report.

Teachers: There was but one change in our personnel when schools reopened in September. Mrs. Alice E. Read was elected principal of the East Swanzey school. Mrs. Read replaced Mrs. Florence Stone who resigned to accept a position in Harrisville.

Buildings and Grounds: Extensive repairs and improvements were made in all the Swanzey schools during the summer.

At East Swanzey, the floors were sanded and refinished. A good floor seal was applied and maintenance is being kept up by application of a wax preparation. The walls and ceilings of two classrooms were painted a soft pastel green. This color is recommended for its ease on the eyes and for sight-saving. The effect is almost unbelievable for the result is a complete transformation of the interior of the East Swanzey School. Educators from out of town have visited the school and have remarked about the cheerful atmosphere engendered by the new color scheme. This is particularly noticeable to those who will remember the previous dull, drab interior.

Considerable work was done in the Wilcox school at Swanzey Center. The insides of the classrooms were repainted. Repairs were made on the outside stairs leading from the fire escape exit in the lower grade room.

The biggest improvement, however, in the Wilcox school has been the developing and equipping of a lunch room in the basement. This was a joint undertaking of the school department and the Wilcox P.T.A. new ceiling was installed, the walls were painted with a water-proof preparation and the floor painted with a material especially designed for cement.

This work was done by the interested men folk of the community. Equipment procured included a two compartment sink, drain boards, movable counter, hot water heater, refrigerator, fifty steel folding chairs and five masonite-top folding tables. An outside entrance which is protected by a pitched roof was built as a safety measure and also to provide for more convenient deliveries to the lunchroom. We have been commended on the project by the State Department of Health and by Miss Ruth Cutter, Director of School Lunch Services of the State Department of Education.

Interior painting was done at the Hopkins school. Acting upon the recommendation of the State Department of Health, the School Board had new light fixtures installed in this school. Repairs were made on the Cutler school roof to prevent leaks caused by ice backing up in the winter.

Panic bolts have been installed on all outside doors of the Swanzey schools. These are the familiar bar devices on the doors of public buildings. By depressing the bar, the door opens outward immediately thus preventing the trapping of pupils within the building in case swift evacuation is necessary. All doors have been checked and in some cases have been replaced by new ones.

Plans for Increased Building Facilities: Recognizing the fact of increasing enrollments in our schools, the school building committee has given serious thought to the problem of providing adequate housing for our enlarging school population. Following considerable discussion by the committee, two salient facts appeared to emerge. One was that additional space was required at the Cutler school in West Swanzey. The other was that a new elementary school should replace the two-room buildings in North Swanzey, Swanzey Center and East Swanzey. This new building should be built on a site most convenient and accessible to all three communities.

Realizing that both projects could not be undertaken simultaneously, the committee had to determine which one needed the most immediate attention. It was decided that the more urgent of the two was the Cutler school addition. Consequently, Architect John Holbrook of Keene was engaged to

complete plans and specifications for the addition. Bids will be obtained by the committee prior to the annual school district meeting at which time the voters can signify their approval or disapproval.

The committee is looking beyond the Cutler school addition to the building of a new modern elementary school for the other part of the town. To that end, an article has been inserted in the warrant for the consideration of the voters for raising a sum of money to be left in a Capital Reserve Fund whose express purpose will be to provide funds toward the erection of a new building.

It is to be hoped that the citizens of Swanzey will give their wholehearted backing to these projects recommended by the buildings committee. Education in our democracy has never been more important than at the present time. Our young people must be provided with the best education possible.

Hot Lunch Programs: The Cutler school lunch program is well established and runs smoothly and efficiently under Mrs. Capron's able guidance. The Wilcox school now is equipped to furnish a Type A lunch. The Wilcox P.T.A. deserves great credit for sponsoring this activity. Mrs. Jennie Talbot, in particular, has devoted a great deal of time to this project. Miss Sargent keeps the record and makes periodic reports to the State Department.

Loss of State Aid: During the recent session of the state legislature, it was voted to cut the state's appropriation for state aid to local school districts from \$2,000,000 to \$400,000. This was done in the face of rising school costs and despite the fact that it was a foregone conclusion that local real estate taxes would bear the brunt of the cut. As a result, Swanzey lost approximately \$16,000 in revenue which she had received the year previously. This means a larger assessment on the town to meet the obligations of the school district for the next fiscal year.

It is deplorable that the state legislature saw fit to cut the state aid to education when New Hampshire already ranked very low among the states in supplying such aid. Even with

the former \$2,000,000 appropriation, although New Hampshire ranked fourteenth among the forty-eight states in the amount of income back of each pupil in average daily attendance, it ranked only twenty-fourth in expenditures per pupil from all sources and it ranked forty-fourth in the amount of state aid per pupil.

State aid helps the poorer districts to maintain better schools. It also shifts the tax burden from real estate to other sources of revenue. It is in the interest of Swanzey to have the former state aid fully restored and, if possible, increased.

In conclusion, I wish to express my appreciation to the teachers, pupils and parents, to the School Board and to the patrons of our schools for their cooperation.

Respectfully submitted,

CHESTER C. LEES,

Superintendent of Schools.

January 21, 1950,
Winchester, N. H.

FOREST FIRES—OUR MOST SHAMEFUL WASTE

Everyone apparently fears fires but too many are careless with it. This is particularly true of fires in and near woodlands. Official figures show that more than 98 percent of all forest fires result from human carelessness and can be prevented. Consequently, we may say "Forest Fires are our most shameful waste".

Annual forest fire losses are tremendous and their effects far reaching. Such fires destroy the raw products of the forests, the protection forests provide for game and the supply of ground water. They upset local economies by drawing men from gainful employment and requiring the expenditure of public funds to extinguish them.

Our forest fire organization is doing a good job in keeping the size of fires small but the number of fires is increasing. In 1949 there were 100 more fires in New Hampshire than in 1948, but they burned 500 acres less. For the warden and his deputies to do the job they are capable of, they must have the cooperation of the public—YOU!

The primary objective of all fire fighters is PREVENTION—fire stoppage. This is the goal toward which your local forest fire warden and his deputies are constantly working. It can be achieved ONLY if YOU and YOU cooperate with them. It is worth YOUR effort and can be accomplished by:

- (1) Being careful with fire in or near woodland, being particularly careful with matches and cigarettes.
- (2) Securing the required written permit from the warden when the ground is not covered with snow.
- (3) Insisting that others be careful and comply with burning requirements.
- (4) Calling the warden promptly when fire is detected and aiding him to extinguish it.

Let's reduce the number of forest fires and eliminate our most shameful waste.

F. J. BAKER,
District Chief.

1949 FIRE RECORD—SWANZEY

Number of Fires, 6.

Acreage Burned, 2½.

Number of fire permits issued, 118.

Respectfully submitted,

HARRY L. DUNHAM,
Forest Fire Warden.
